How to Register for the Product Registration Membership Service

○ Prepare the Internet connection environment in advance.

○ Read all the steps of the registration process before you proceed to registration.

■STEP 1: Website access

Enter the URL below in your web browser to access the website.
https://test-navi-esos-eng.nlk.jp/

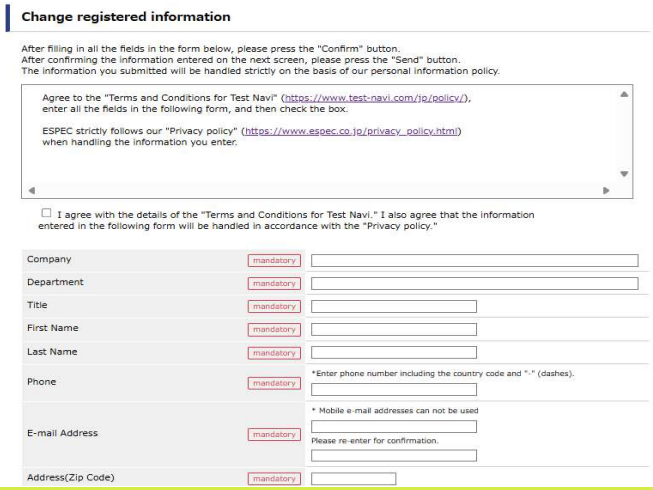

■STEP2: Serial number entry and temporary registration

Retrieve the "Product registration membership service; initial sign in instructions" document that is packaged with your product.
Enter the "Serial number" in the "ID (Serial Number)" field and the "Initial password" in the "Password" field, and then click "Sign In".

■STEP3: Member information entry

Read the personal information privacy policy. If you agree with the policy, enter the required information, and then click "Confirm" to register your information.

■STEP4: Registration completion email

An email will be sent to the email address that you used at the time of registration to notify you that your membership registration has been completed.

■ STEP 5: Accessing the exclusive site for product registration members

The next time you sign in, use the serial number and the password that you specified.
